\*\*\*\*\*  
FROM THE PUBLIC RELATIONS OFFICE:

## ***TRAFFIC POLICY (Chalon Campus)***

As we begin a new school year, it is terribly important that we all be reminded of our agreement with the Brentwood community to minimize the impact of increased traffic flow in the neighborhood.

WHEN COMING UP THE HILL, TAKE THE NORMAN PLACE ROUTE TO THE CAMPUS; GOING DOWN THE HILL, TAKE BUNDY TO SUNSET.

It is critical to our community relations effort that we abide by this agreed-upon plan. Please remember that the speed limit in the area is 25 mph, and that many area residents are walking their dogs or jogging during the hours we are heading to/from campus.

We have received some complaints in the last few days from the local Neighborhood Watch and need to be as sensitive as possible to their concerns.

Thank you for your cooperation. If you have any questions about this aspect of our community relations policy, please feel free to call Nancy Taylor, Public Relations, at (213) 471-9537.

FROM LINDA CROSBY, DIRECTOR, CHILD DEVELOPMENT CENTER:

Walter Draude told me when I first came to Mount St. Mary's College as the Director of the Child Development Center that he "delights in watching kids grow." This is certainly evidenced in the loving, caring manner that he works with our children at the Child Development Center. Walter is an excellent teacher who not only watches children grow but he takes an active part in setting up rich experiences to help them be the best that they can be. His classroom has a strong, positive tone for growth and a respect for each child as an individual.

At this time, Walter has made a decision to leave Mount St. Mary's College to pursue a position as a Site Director for Head Start, where he can continue his own professional growth in administration. It is difficult to lose such a good teacher who has affected so many of our children's lives, but I wish him the best in his new adventure and know he will continue to be an influence in the lives of children.

Walter's last day with us will be Monday, September 23, 1991.

Last year over **800** children haunted our campus!!

Please start picking up an extra bag of candy as you go through the grocery store. It is also time to start "brewing" some plans for decorating the houses and buildings, and creating games for the little ghosts and goblins to play along the way.

FROM THE DEAN'S OFFICE:

On Tuesday, October 22, from 7:00 a.m. to 10:00 a.m., the *Carrie Estelle Doheny Foundation Board of Directors* will be visiting the campus. They will attend 7:00 Mass, have breakfast in Ahmanson Commons, and then meet in Bldg. #10's Executive Conference Room, when they will talk with some of our students.

As most of you are aware, the Doheny Foundation is the Mount's "best friend," as evidenced by its constant financial support in maintaining and improving our beautiful campus. The Foundation has contributed greatly to the President's Endowed Scholarship and other Mount scholarship funds; their major contribution in 1984 allowed McIntyre Hall to be built; and because of the most recent contributions, we have been able to make significant improvements to the Doheny Campus, including sprinkler systems, sidewalk repairs, rewiring of buildings, dorm and office refurbishment, air conditioning, building repairs and additional dorm telephone services.

The work that we are doing on the Doheny Campus, now nationally recognized as a model for the country, simply could not have gone forward without the continuing assistance of the *Carrie Estelle Doheny Foundation*. Their understanding and response to our needs has allowed literally hundreds of students to benefit from the program and thus enter the mainstream of American life with the values and the confidence that education at the Mount provides them.

This Tuesday will be an excellent opportunity to say "Thank you" to members of the Foundation Board of Directors if you should see them on campus. It is for your benefit that the Foundation has offered to Mount St. Mary's College its long-standing financial support and friendship.

FROM THE ADVISEMENT CENTER:

**ATTENTION LIBERAL ARTS SECOND YEARS:** Please come in SOON to do your Graduation paper work. There are a number of you who have yet to meet with Sister Rose.

**ATTENTION PRE-HEALTH SCIENCE/NURSING MAJORS:** All students planning to enroll in beginning Nursing classes in Fall 1992 must take the Nursing Department Math Test. If you are planning to transfer to Chalon and to be admitted into the Nursing Department for Fall 1992, you must take the test soon; if you are planning to apply for Fall 1993, you have more time; however, it is a good idea to take it during this academic year.

A score of 80% or above is required. If you do not pass this test after two attempts, you will need to complete a basic math class before taking the test again. Please take the test as early as possible so you will have time to take a math class if you need it.

## FROM STUDENT SERVICES:

### Earthquake Awareness:

In this rock-n-rolling home we call Southern California, it is necessary to be prepared in the event of an earthquake. Therefore, on Wednesday, October 23, during the lunch period, the KCET video "Surviving the Big One" will be continually shown on the patio in front of Ahmanson Commons. Some handouts will be available concerning preparation, what to do, etc. Plan to drop by and see at least part of the film and to pick up some information. It is the job of each of us to be prepared!

### USC Health Booklets:

All commuters are invited to pick up a copy of the USC Health Services booklet in Office 4 of Bldg. #7. These are provided by USC so that you will know the services available, their operating hours, fee policies, etc. You have already paid the usage fee as this is our campus "doctor/nurse/lab" etc. service. If you have any questions or concerns, please be sure to ask.

\*\*\*\*\*

## FROM RESIDENCE:

We are happy to announce the membership of the 1991-92 Residence Hall Council. Elected as at-large board members are:

The scholarship, valued at twenty dollars, entitles the member to a one year affiliation in an inter-disciplinary professional organization, which brings together persons of all levels of education and experience who are especially interested in the education and well-being of children from birth to age eight.

\*\*\*\*\*

**FROM THE CAREER CENTER:**

A UPS recruiter will visit our campus again on Tuesday, October 22nd, from 11:30 to 1:30. The recruiter will be in the Ahmanson Commons Patio. Be sure to come dressed for an interview.

\*\*\*\*\*

**FROM THE ISAE DEPARTMENT:**

The Student Support Services Program is sponsoring a workshop on reading skills, Wednesday, October 23 at 2:30 p.m. in Bldg. #7, 3rd. Floor. The presenter is Mari Wadsworth. For more information, call Ext. 2157 at Chalon.

\*\*\*\*\*

**OF SPECIAL INTEREST**

- o A presentation of the customs associated with the Hispanic feast of "The Day of the Dead" will take place Wednesday, October 30, at 3:30 p.m., Room 107.

The invited speaker, Lara Medina, is campus minister at UCLA Newman Center. All faculty and students are welcome to attend.

- o The IMPAC Project, funded through a grant received from the CAPHE/NYNEX Foundation, and by matching grant received from the ARCO Foundation, is sponsoring guest speaker Clyde Corcoran, on "Alternative Approaches to Assessment," on Friday, November 1, 1991, 9:30 a.m. to 12:30 p.m., in the Campus Center on the Chalon Campus. If you would like to attend, please R.S.V.P. to Vicki Johnson in the Education Dept., Ext. 2224.

\*\*\*\*\*

**FROM THE PHYSICAL THERAPY ASSISTANT DEPARTMENT:**

**ATTENTION: PHYSICAL THERAPY ASSISTANT MAJORS**

Lets "rekindle" our Physical Therapy Assistant Club. We need a president, vice president, secretary, and treasurer. If you're interested in one of these positions, contact Gina Ursell (Ext. 2253), or Lynne Jones (Ext. 2156) at Doheny.

Being involved in a club is not only fun, but it looks good on a resume. We can plan field trips to prospective Physical Therapy sites, have PTA speakers come and talk to us about our future career, have bake sales to make money, design our own PTA-MSMC t-shirts, and so much more. The best reason to join is to get to know one other and learn from one another's experiences.

Holding a position in the club will require approximately 2-3 hour a MONTH of your time. Isn't it worth it? Our first meeting is scheduled for Tuesday, October 22, at 5:00 p.m. in the Physical Therapy building (#1).

See you there!

## **A DAY TO REMEMBER!**

*Where were you on November 6, 1961?* It was a fateful day in the history of Mount St. Mary's College--as the Bel Air fire jumped the new San Diego Freeway and swept up the hill. Several structures on campus were damaged or destroyed, but, miraculously, everyone got down the hill safely. Classes resumed amid the charred buildings just 44 hours later.

Students, faculty and staff are invited to attend several events on the afternoon of November 6, 1991, commemorating the 30th anniversary of the fire. It's an opportunity to reflect on the College's history--and give thanks. We hope you'll all be there!

\* \* \* \* \*

On Wednesday, October 30, at noon, in Donohue Center, there will be a showing of "The Day of the Dead" -- a film showing the rich and beautiful tradition of the celebration and remembrance of the dead by the Mexican people. All students are invited to share in this special experience.

## ALL SAINTS' DAY

There will be a special All Saints' Day liturgy at 12 Noon on Friday, November 1st. This is a holy day for Catholics and will be a wonderful feast day to bless in a special way our student leaders, as well as each of us. There will be a brief ceremony toward the end of the liturgy in which all of us will commit ourselves to work together with our student officers.

ADVISEMENT for Spring Semester, 1992.

\*\*\*\*\*  
FROM THE DEAN'S OFFICE:

### Thank You!

...to four very special students who met with the *Doheny Foundation Board of Directors* on Tuesday, October 22. CATHY NGUYEN, BLANCA ESPINDOLA, KAREN JIMMONS AND VERONICA CASTANEDA gave the Board members an overview of their individual experiences at the Doheny Campus--Cathy and Blanca as Doheny alumnae, Karen and Veronica as Doheny Sophomore students.

We are very grateful to these students for taking the time and making the effort to join us at this special gathering of the Doheny Foundation Board.

\*\*\*\*\*  
FROM CAMPUS MINISTRY:

### Thank You!

...AND CONGRATULATIONS TO ALL OF US! THANK YOU to R.A.'s, residents, commuters, faculty, staff, trustees, regents, Sisters of St. Joseph, ASB and Campus Ministry offices, and our many friends and benefactors who donated candy and money to help make our Haunted Campus a BIG success. The children and parents--and all of us, too--had a wonderful time. Good things happen when we work together for others. Congratulations and thank you. Our Doheny campus community is special....we are both proud and grateful!

**FROM THE ADVISEMENT CENTER:**

**ATTENTION ALL FRESHMEN:** The Freshmen Orientation class (SPR 80) will be meeting in the Lecture Hall, today, November 4. Please be sure to bring your blue catalog with you; also, please have something with which to write. We will be going over the registration procedures and course selections/requirements.

Early advisement for spring '92 classes will begin **November 11** and extend through November 20; please be sure to sign up to meet with your advisor during this time. Please be prepared; use the information in your registration packet, and, if you wish some assistance, stop by the Advisement Center and ask one of the peer advisors; they will be happy to help you prepare.

Filing for registration begins on **November 14** for sophomores (second years). Freshmen may file their papers on **November 18**, beginning at 1:00 p.m.

\*\*\*\*\*  
**FROM THE FINANCIAL AID OFFICE:**

**Help us help you!** The Financial Aid Office now has a "Comments and Suggestions" box. Stop by and let us know how we're doing with regard to the service and information we provide to you. We value your comments, and hope to improve our service to you.

\*\*\*\*\*  
**FROM RESIDENCE LIFE:**

**Showtime on Campus!**

Mark your calendars now for **November 20**, at noon, when **Robert Macklin** will present his one-man show on the life of "Jacob" for our entertainment. The plan--weather permitting--will be to have the show in front of Ahmanson Commons so you can bring your lunch and enjoy. In a sense it will be "lunch-theater-at-Doheny". Plan now to come for the 40 minute show -- learn about the life of the biblical character while at the same time enjoying some live-on-campus entertainment. (If you have any questions, please contact Sr. James Marien.)

**Any Artists Out There?**

Even if you are not a bona fide artist, you might want to get involved with this contest anyway. The Anheuser-Busch Company is sponsoring a "Know When to Say When" Poster Competition. Awards totaling \$20,000 will be given in scholarships to the winning designs.

Drawing ability *IS NOT* a factor in this contest. They are looking for the best poster "concepts" that express the need for personal responsibility in the consumption of alcohol.

Entry forms are available in Office 4, Bldg. #7. Also posted there is the 1991 winning poster -- only a concept when the student submitted it! Later it was given to an artist to complete.

The deadline for entries is **December 15, 1991**. (We only received our copies this week and so missed the actual Alcohol Awareness Week. However, we will be having a program in December. Watch for details!)

FROM THE STUDENT SERVICES AREA:

Christmas Craft Fair!

Can you believe it? The holiday season is fast approaching and will be here before we know it! In anticipation, we are planning our Annual Christmas Craft Fair for early December.

We are now accepting "table reservations." If you have craft items to sell (Christmas decorations, jewelry, cards, gift items, etc.) and would like to participate, please come by Office 4 in Bldg. #7 for an application. We are especially interested this year in featuring cultural crafts. If you, your mom, or a friend make items which would be "saleable", we invite you to join in the fun.

Everyone can join in by starting now to save your money for the bargains we will have available. We feature "stocking stuffers" and the like, so be sure to watch for more details on time, days and location.

\*\*\*\*\*

FROM PRE-HEALTH SCIENCE:

There will be a meeting for all Pre-Health Science majors on Wednesday, November 6, at 3:00 p.m. in Room 201, Bldg. #4. We will talk about courses to take in the spring. Bring your handbooks.

\*\*\*\*\*

FROM THE PSYCHOLOGY CLUB:

We would like to congratulate the following students for being elected as officers for the Psychology club:

Director:	Flora Golden
President:	Veronica Cardona
Vice-President:	Tracy Amend
Treasurer:	Claudia Gomez
Secretaries:	Flor Medrano & Wendy Ramirez
Fund Raisers:	Maggie Ramirez & Tracy Amend
Chalon Liaison:	Maggie Ramirez
Projects Organizer:	Ana Perez

Members are still welcome. Our next meeting will be on Monday, November 4, at 1:00 p.m. in Bldg. #1.

**Club Members: Remember to bring 2 suggestions for our club name.**

\*\*\*\*\*

**OF SPECIAL INTEREST**

## 'doheny happenings'

VOLUME 21, ISSUE 9

WEEK OF NOVEMBER 11, 1991

### DATELINE:

November 13 Wednesday

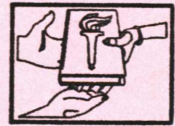

**Forum!** Accreditation Review,  
10:00-11:00 a.m. or 12:00-1:00 p.m.,  
Donohue Center. *Everyone Invited!*

11-20

**ADVISEMENT** for Spring Semester.

\*\*\*\*\*  
FROM THE DEAN'S OFFICE:

**UPDATE ON W.A.S.C.:** The Western Association of Schools and Colleges (WASC) is one of the six regional accrediting associations covering the United States, whose purpose is continual improvement of education and the evaluation and accreditation of schools, colleges, and universities. The Western Association is responsible for institutions in California, Hawaii, Guam, and the Pacific Island Trust Territories.

Voluntary, nongovernmental, institutional accreditation as practiced by the Commission and the other regional commissions is a unique characteristic of American education. No institution in the United States is required to seek accreditation; however, because of the recognized benefits, most of the eligible institutions in this and other regions seek to be accredited. In many other countries the maintenance of educational standards is a *governmental* function.

While the Commission works to establish minimum standards of quality for institutions, its primary focus is to foster educational excellence. Accreditation is a continuing process, the heart of which lies in periodic self-appraisal by each institution. Each institution has the responsibility of defining, for itself, characteristics of quality and excellence, and presenting evidence that such quality and excellence is being achieved. In preparation for accreditation visits, every institution produces an extensive report, with primary emphasis on self-analysis and evaluation.

In preparation for the Reaffirmation of Accreditation Visit by WASC in March 1992, the College has prepared such a self-analysis and it is the contents of this material that you, as invaluable members of the total Mount community, are asked to review and comment on during an **All-Campus Forum** on Wednesday, November 13. There will be two sessions from which to choose: 10:00 - 11:00 a.m. or 12:00 - 1:00 p.m. Both sessions will be held in Donohue Center.

The College needs the input and reflection of all segments of the institution: **YOUR OPINIONS AND COMMENTS ARE IMPORTANT!** A copy of the entire Self-Study document is on reserve in the Library. There is also an "abridged" version of the study which focuses on analysis and assessment of the changes at the Mount since the 1981 Accreditation visit; copies of this document are available in the Library, at the Switchboard, and in the Dean's Office.

(SEE FLYER ATTACHED TO THIS ISSUE.)

**FROM THE ADVISEMENT CENTER:  
ATTENTION SECOND YEARS:**

If you have not yet completed your graduation papers, please do so, now! Doing Early advisement and graduation papers requires additional time; DO NOT WAIT UNTIL THE "DEADLINE".

All second years will be receiving a copy of an advising survey from your advisor. Please complete it and return it to the REGISTRAR'S OFFICE when filing your registration paper. It is anonymous; it assists us in our advising and so we ask you to please do it. We wish to have all returned by November 26. Thank you.

**ALL STUDENTS:**

Please be sure to check with your advisor's appointment schedule and get in SOON, for a meeting with him/her. If you need some assistance in preparing for your advisement appointment, please stop by the Advisement Center and one of the Peer Advisors will be pleased to help you.

November ...a Time of Thanksgiving

Start now to gather food and used clothing so that we as a campus community may help those who are less fortunate than we are. These goods will be distributed before Thanksgiving, and these generous actions will help us all prepare for the Thanksgiving holidays. In next week's *HAPPENINGS*, we will have more details about how this project will take shape.

Gathering for Prayer

Gina Ursell has suggested that we continue the practice of having a brief weekly opportunity for praying together as a community. This is an invitation; everyone is welcome, but it is entirely your choice. We are considering noon time once a week. The duration of the prayer would not exceed twenty minutes. Faculty and staff are also invited, and members of all faiths are welcome. Anyone desirous of giving more input may have that opportunity by filling in the forms provided on the Campus Ministry bulletin board.

FROM THE RESIDENCE AREA:SPIRIT WEDNESDAYS!

To install a bit of school spirit in the dorms, the Residence Hall Council is sponsoring "Spirit Wednesdays". The resident students will be doing some "different" things on Wednesdays throughout the semester, so if you notice any changes, do not be alarmed.

To build up some spirit all over the campus, the RHC is asking everyone to join us on Fridays by wearing "Mount Shirts" (any logo or kind). This way we will be showing our Mount pride. Join in the fun!

Each time you go by take a 'straw' out, read it, put it back and then DO the practice typed on the straw. Campus Ministry hopes that this simple project will help us all live in the Christmas spirit these few weeks before Christmas!

We wish you wonderful holidays! May the glory of the season brighten your days and may all good things come to you and your loved ones in the New Year!

\*\*\*\*\*  
CELEBRATIONS TO REMEMBER.

In this holiday season when we remember the birth of Christ, the visit of Santa, and the welcoming of a new year, it is important to note that other celebrations are also practiced. One of these is KWANSAA, which some of you might have noted on the December calendar in the last issue of the Doheny happenings.

KWANSAA is an African American holiday celebrated from December 26 through January 1. It is a cultural holiday based on the agricultural celebrations of Africa called the "first fruits," which were times of harvest, gathering together, reverence, commemoration, recommitment and celebration.

Several events take place during these days within our city which some of you might like to attend; these are noted on the calendar or you can call the African American Cultural Center for more information ({212} 299-6124).

The seven basic values -- unity, self-determination, collective work and responsibility, cooperative economics, purpose, creativity, faith -- stand at the heart and meaning of KWANSAA. They can serve as guides for all of us as we celebrate during this season of peace and joy.

THESE ARE THE ONLY "MAKE-UP DAYS" SCHEDULED. IF YOU FIND THE SIGN-UP SHEETS FULL, GIVE ME A CALL AT MY CHALON OFFICE, X9529, (310/471-9529) AND WE WILL FIND A WAY TO ACCOMMODATE YOU.

**Remember, the yearbook is not just for graduating students.** All students are encouraged to sign up for portraits. The fee, which includes the portrait and a copy of the yearbook mailed to your home, is only \$30. (That's \$10 dollars LESS than the books cost last year!) YOU DON'T HAVE TO PAY AT THE TIME YOUR PICTURE IS TAKEN -- YOU WILL BE BILLED LATER.

And speaking of the yearbook...we need students to select pictures, design and layout pages, and write photo captions. If you're interested, please give me a call. This is your chance to contribute to your "official" MSMC book of memories.

Thanks!

### WHAT IS SIENA DAY?

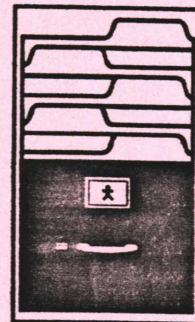

This annual celebration is a Mount tradition initiated by Sister Magdalen Coughlin, former President and current Chancellor of the College.

"Catherine of Siena (1347-1380) lived deeply and fully in a time not unlike our own. She engaged in issues with fearlessness, candor, intelligence, and a deep commitment to God," Sr. Magdalen explains. "Our 'Siena Day' each spring is intended to highlight the importance of developing and using one's potential to contribute positively to one's own time -- and to all time."

FROM THE ADVISEMENT CENTER:

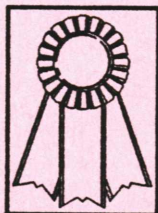

**TRANSFER TO BACCALAUREATE PROGRAM (CHALON CAMPUS):** For all of those students who have been asking and asking, "When can I transfer to Chalon?": **THIS IS IT!** If you are planning to transfer to the Baccalaureate Program of MSMC you need a cumulative transferable GPA of at least 2.25 and 24 transferable units. Please be aware the some departments require a higher cumulative transferable GPA. What you NEED to do is make an appointment with your advisor AND go the REGISTRAR'S office to request an application for Intercampus Transfer, sign your name on her list so that she will fill in your GPA and verify your units. Then return the NEXT day to get that form and TAKE IT WITH YOU to your appointment with your advisor.

Advisors will help you with the necessary paper work, but please be sure to bring the application form with the Registrar's signature when you meet with your advisor. Please do not delay. The deadline for returning your completed application is **MARCH 10** so that they can be sent to Chalon by March 11. We will not be processing applications **AFTER THE DEADLINE.** (If you have any questions, please consult Sr. Rose and/or Peer Advisors.)

**SPRING SEMESTER MINI-SESSION  
CHALON CAMPUS  
MARCH 16 - APRIL 6, 1992**

The ESOLD PROGRAM is offering a two week INTENSIVE ENGLISH COURSE on the Chalon Campus from March 22 to April 6. The students will be coming from two colleges: Shin-Ai, Kurume and Nagoya University of Foreign Studies. They are looking forward to this experience—not only by studying, but more importantly by sharing their culture, traditions and way of life with us. This is an opportunity for our students to find out FIRST HAND what life in Japan is *REALLY* LIKE TODAY from the young women who will be on campus these two weeks. The Japanese young women will also learn what an American women's college is like and whatever else proves interesting to share.

Please encourage your students to do the following:

1. They can welcome some of the Japanese students to their table in the dining room or when they meet them on the campus.
  - 2.\* We need the Chalon residents to share rooms and welcome a Japanese roommate for the two weeks they will be on campus. [Twenty-three students are expected.]
  3. We are planning to hold Tuesday and Thursday discussions in the \_\_\_\_\_ evenings, two sessions at Doheny and two at Chalon (time TBA).
  4. Mount students can drop by the CASA to visit the Japanese girls informally. The CASA will be their "GATHERING PLACE" in the afternoons/evenings when they are not in class, off campus or on city tours.
  5. They are invited to join the **PLANNING COMMITTEE** to help prepare the **"WELCOME TO THE MOUNT EVENING"**.\*\* [The Japanese students will be arriving at Chalon between 5:00 and 6:30 p.m. on March 22.]
- \* This is where we could really use your encouragement...
- \*\* Our first meeting will be held on Thursday, February 20 at 8:00 p.m. in the Hannon Parlor (Chalon).

**Thank you for your support!**

**FROM CAMPUS MINISTRY:****LENT IS HERE!**

There will be a special Ash Wednesday liturgy this Wednesday, March 4th at noon in Our Lady of Mercy Chapel. All students are invited to attend.

Lent is the season in which we are called to conversion--that is to turn closer to God...to make some choices so that our life is more open to what is good, true, kind and just. The Campus Ministry office is sponsoring a small project this Lent--**Penny Jars**. These jars will be placed in each residence hall, on each floor of McIntyre, and in Carondelet Center. This is not a contest. Everyone is invited to put small change into these **Penny Jars** during the season of Lent. The money will be given to the poor at the end of the Lenten season. Each group is invited to think about some action that will witness to their own commitment to grow. When individuals don't live up to their commitment they could put a donation in the **Penny Jar**. This way the poor will receive a gift from us, and we will be making good choices for ourselves!

\*\*\*\*\*

**FROM THE ADMISSIONS OFFICE:****ATTENTION ALL MOUNT STUDENTS**

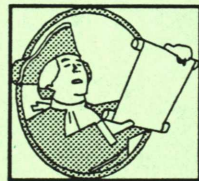

The Admissions office is looking for dedicated, outgoing individuals to be admissions interns. The internship program provides the student intern with the opportunity to assume a responsibility role in the daily procedures of the Admissions office under the guidance of a counselor. Applications may be picked up at the Doheny Admissions Office in Bldg. #10. They are due March 6, 1992, by 4:30 p.m. For more information, contact Lissa Staples at (310) 471-9516.

\*\*\*\*\*

\*\*\*\*\*

**ATTENTION, THEATER-GOERS**

**FROM STUDENT SERVICES:****WOMEN'S HISTORY MONTH.**

March has been designated as a celebration time for women -- to mark their contributions to history both past and present. The History Department here at Doheny would like to do "something" for this celebration time and needs your help. If you have any ideas, and would like to participate, please see Sr. James. We are especially interested in presenting women of various cultures to show our solidarity in the march of time. Please join us!

\*\*\*\*\*

## **WASC UPDATE**

You will be happy to know that the Mount's 1992 Self-Study was mailed to the WASC office and the visiting team members on January 22. The self-study is impressive, the work of well over a hundred people in the Mount community--task forces, steering committee members, typists, copiers, readers, editors, proofreaders, and many in the cheering section who supported and encouraged. We can be very proud of our self-study!

Special congratulations and thanks go to the production crew who spent long hours in the last month of "desk-top publishing," putting the book together in readable and attractive form. Key to the enterprise was Cheryl Griffin, who borrowed time from her Controller's office to create the design and format of the book, and to oversee the production process.

Ann Marie Signey centered the activity, keeping production lines open and moving, making copies, collecting materials, and doing the mailing. Stephanie Cubba made available to us not only her computer and printer, but also her assistant, Susan Winston, to help with appendix design and to finish copying the sixty books. Binding was done in the communications office of Carondelet Center by Sr. Ruth Rodgers, CSJ. Many offices and supervisors lent their help and encouragement, and to all of these we say WELL DONE AND THANK YOU!

\*\*\*\*\*

Now we encourage you to get acquainted with the self-study. There are many copies now available on both campuses, in the following places:

- \* On reserve in both campus libraries
- \* All department chairs
- \* Task force chairs and steering committee members
- \* Administrative Council and the chair of Trustees
- \* ASB offices on both campuses

Please feel free to browse or to read the whole study. We can be assured that the visiting team next month will have read it carefully, and we'd like the Mount community to know what we--as a community--have said about ourselves!

\*\*\*\*\*

Virginia Smith, chair of the visiting team, was on campus February 11, and will be sending us an agenda soon for the WASC visit. In our next memo, we will share the agenda and give some ideas on how we can be best prepared for the visit.

**WASC ON CAMPUS - MARCH 24-25-26-27, 1992!**

# Thank You!

....to all who helped with our **Ash Wednesday** liturgy. There is a basket in the back of the chapel with Lenten papers for those who wish to write down their Lenten resolution. They can then be placed in the basket by the altar as a reminder to all of us to *"return to God with all our heart"*. Penny Jars have been placed around campus to invite us to be generous in sharing our pennies with the poor.

\* \* \* \* \*

**COMING SOON!**

This year Spring break occurs during the week we ordinarily celebrate St. Joseph's day. The following week the WASC team will be visiting our campus. The Campus Ministry team thought it would be a good idea to have a special liturgy the week after all this to celebrate the **Mount**, our Doheny Campus, and the **Sisters of St. Joseph**. Mark your calendars now....Liturgy at noon on **Monday, March 30th**. This will be a festive and joyful liturgy thanking God for all the Mount has been and is for each one of us and to celebrate with the Sisters of St. Joseph, in gratitude for their generous service and to ask St. Joseph to continue to bless them. This is a celebration of God's goodness to all of us.

\*\*\*\*\*

FROM ASB:

On February 28th, the **Masquerade Formal** took place. Along with this successful dance the introduction of a court was made. We would like to extend our thanks and congratulations to our **Queen Edna Ortiz**, and her Princesses, **Zulema Ramirez** and **Tia Stalworth**.

\* \* \* \* \*

The owner of **El Pollo Loco**, Raul Garcia, was impressed by everyone's hard work and participation on the Haunted Campus this past October. **FROM THE ADVISEMENT CENTER:**

**FALL '92 INTERCAMPUS TRANSFER STUDENTS:** Thank you for getting your materials completed and returned by the deadline. Congratulations on your acceptance to the BA/BS Programs. If you have not yet heard from your Department, some chairs have not been readily available, but you will receive word soon. As the letters come to the Center, they are posted on the **Advisement Board, Bldg. #4**. Be sure to contact the person indicated in your mailing for advisement. If you have questions and/or concerns, please contact Sister Rose or Annabel Valenzuela in the Advisement Center.

**REMINDER:** Luncheon for you will be **March 31** from 12:00-2:00 in Donohue Center. Please plan ahead so that you may be present. You will receive important information which will be relevant to your transfer.

Students who still wish to transfer into the Baccalaureate Program at Chalon may do the paper work in May (or whenever convenient for you and your advisor) and file by MAY 12.

**SUMMER SCHOOL:** If you are planning to attend school (other than MSMC) during the summer, it is **VERY IMPORTANT** that you start contacting schools SOON. Because of the UC/SCU cutbacks, more students are attending community colleges in the summer. Those students who already enrolled this Academic Year will have **FIRST PRIORITY** for the summer classes. It is very important that you get the necessary registration information and, where given, your filing number. If you wait until mid-May/June, you may not get your desired class. You may wish to contact several schools (in different districts). In addition to large enrollments, at many schools there is also a decrease of class offerings.

You need to get a copy of the summer schedule of classes; the **Advisement Center** does not have them. The nine Los Angeles Community Colleges (City, East, Harbor, Mission, Pierce, Southwest, Trade-Tech, Valley and West) may not yet have all of the needed information, but do try now, so that you can receive an application to start the process, and a student number. Before registering, please meet with your advisor concerning which class you will be taking. In the next issue there will be information concerning **TRANSFER OF CREDIT CLEARANCE** (see Catalog p. 56). If you have questions please feel free to go the Advisement Center for assistance.

**FALL '92 EARLY ADVISEMENT:** This begins next **Monday, April 6**. Check your advisor's office or the Bulletin Board in Bldg. #4 for days and times to make an appointment. (Some may begin advising earlier than the 6th.) You will need to get your registration packet from the Registrar's Office, Bldg. #10 **BEFORE** meeting with your advisor. Please look over the course listings and do some pre-planning. If you need assistance, you are welcome to come to the Advisement Center.

**ADVISOR SURVEYS** will be distributed by **Sister Elizabeth Anne Malone** and **Elizabeth Snow** to their advisees. They are **DUE April 14**. Please turn them in at the **REGISTRAR'S OFFICE**.

**LETTERS OF RECOMMENDATION:** Attached to this issue is a sheet with information to help you in getting the letter you need. Please detach and keep for future reference.

## ASKING FOR LETTERS OF RECOMMENDATION

Faculty members are happy to write letters of recommendation to help you obtain a scholarship, a job, an internship, or acceptance at a graduate school. But remember that, when you ask for one, you need to observe a few points of courtesy and thoughtfulness.

1. GIVE INSTRUCTORS ENOUGH TIME TO WRITE YOUR LETTER.  
They are glad to help you, but dropping off an address in the morning and saying that the deadline for mailing is that afternoon is not only unfair to the instructor but disastrous for your chances of getting what you're applying for.
2. GIVE INSTRUCTORS YOUR FULL NAME.  
Your form may be the fourth one received that day; be sure your full name is on it and that you've filled in all the appropriate blanks.
3. LET INSTRUCTORS KNOW WHY YOU NEED THE LETTER.  
Is it for a scholarship, internship, job, acceptance to graduate school? It makes a difference for the person writing the letter.
4. REMIND INSTRUCTORS ABOUT YOUR ACTIVITIES AND ACCOMPLISHMENTS.  
Your history or chemistry teacher may not know about your ASB involvement or your volunteer work at Juvenile Hall, so jot down this information for them, and your letter will be much more interesting and more descriptive of you.
5. PROVIDE A CLEAN, FRESH, ADDRESSED, AND STAMPED ENVELOPE.  
You don't want your letter to arrive in a tacky envelope because that will reflect on your personality. If an instructor takes time to write a recommendation, you wouldn't want them to spring for the postage, would you?

**LIVE AT THE MOUNT IS COMING AGAIN: THURSDAY, APRIL 9**

We will be welcoming **REGINA CAELI HIGH SCHOOL**.

Tour guides and panelists are needed.

Please see **Jessie** in the Admissions Office if you can help!!

**FROM THE FINANCIAL AID OFFICE:**

The Financial Aid Office has a **Comments/Suggestion** box for your convenience. We value your comments, both positive and negative. We hope to provide you with courteous and informative service.

\*\*\*\*\*

The Financial Aid Office is currently accepting preliminary applications for the following scholarships:

The **Paul Douglas Teacher Scholarship** is a scholarship ranging up to \$5000 per year for four academic years beginning with your Sophomore year. Recipients must agree to teach full-time for two years for each year the scholarship is received. Applications must have graduated in the top 10% of their high school graduating classes, currently have a 3.0 or better grade point average and be a California resident.

The **APLE** program assumes up to \$8000 of loan debt during a three year period. Recipients must agree to teach in a high-need subject area (math, science, English, bilingual education) or a low income school. Applicants must have outstanding loan debt, achieve Junior status by Fall 1992 and be a California resident.

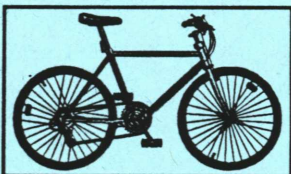

Deadline to submit a Preliminary Application is April 20, 1992. Applications are available in the Financial Aid Office.

\*\*\*\*\*

**ATTENTION: GRADUATING SOPHOMORES:**

For your convenience, we have scheduled a **final Exit Interview** on **Monday, April 13**, from 5:30 - 6:30 p.m. The Exit Interview will be held in the Little Theater on the Chalon Campus. If you have borrowed money under the Stafford or SLS loan programs, you *must attend* this session if you haven't previously attended one.

\*\*\*\*\*

**FROM THE ECE CLUB:**

The E.C.E. club would like to invite everyone to be part of the 2nd Annual **Trike-a-thon** here at Mount St. Mary's College. It will be held on **Wednesday, April 8**, at 2:30 p.m., in front of the Doheny Mansion. The children from the Child Development Center will be invited to ride around the driveway in front of the Mansion. You all can be a great part of this event by donating \$1.00 per child and also by being present

at the Trike-a-thon. Proceeds go toward a gift of supplies or educational materials for the children at the MSMC Child Development Center.

Thank you in advance--and we'll see you all there!

SUMMER SCHOOL: If you are planning to attend a Summer School other than MSMC, you need to do several things before registering for your class(es).

1. Decide what you want/need to take and where you will take the class(es). (Ordinarily, a student does not take more than 6 units in summer.)
2. Verify that those courses are going to be offered. Most of the community colleges will have their schedule ready soon. Some of the 9 L.A. Community Colleges (ELAC, LACC, Valley, Harbor, West, Southwest, Trade-Tech, Pierce, Mission) will NOT have them ready until later. Most summer sessions (unless a 2 session plan) begin around June 29. Phone the college(s) of your choice now & ask them if the course(s) will be offered: if the registrar can't answer, try the department; also request an application for student enrollment and a class schedule of SUMMER SESSION. (These are not available in the Advisement Center.) At many colleges you must do the student enrollment before you are able to register for classes. Do so soon.
3. Get a Transfer of Credit Clearance form from the Registrar's Office/Advisement Center. "A student... must file a Transfer of Credit Clearance with all approvals... prior to registration in the course for which approval has been obtained." This is an excerpt from the catalog. The entire policy regarding taking classes elsewhere, after enrollment in MSMC, is found on page 56 in the 90-92 catalog; PLEASE follow the policy.
4. CHECK with your Advisor/Advisement Center to be SURE That the courses are TRANSFERABLE to MSMC and SATISFY what you intend to do.
5. If you are taking 2 classes, you may indicate BOTH classes on the same form. Please help us to prevent waste and also help to save the trees".
6. Get your advisor's signature; if the course(s) is/are to satisfy program requirements, you will need your program director's signature in #1 of the form.
7. In filling out the section for title and course number, please fill it out CORRECTLY. Title space is NOT the course number and the course number space is NOT the index or section number. For example: Business Law I is the title for the L.A. Community College where it's being offered and the course number is Bus 5 NOT 11642. In most community college class schedules, the title of the course and the course number are at the top of the listing and the section/index number is below with the days/times. If you need assistance filling this out please ask someone in the Advisement Center.
8. PLEASE BE SURE TO DISCUSS YOUR PLANS WITH YOUR ADVISOR; do not presume that classes taken off campus will be accepted by the college.

Security on Campus

***ALERT!*** Please be careful when

walking on campus and in the neighborhood. If you are carrying a purse, be sure it is not swinging free where a passerby can easily snatch it. If you are wearing gold chains, be aware of any people walking too near. A student recently had a gold chain snatched from her neck as she crossed the campus. Luckily, the person was pursued and the chain was retrieved. However, we must all keep alert. Watch out for yourself and for one another! In these uncertain economic times, others might look for opportunities when we are not being careful. Report any concerns to Sr. Edward Mary, Sr. James, or Frank.

**ANNOUNCEMENT...NEW POLICY...CHILDREN ON CAMPUS**

For liability reasons and because children have been left unattended on campus and students have complained about children causing disturbances, the Student Life Policy Board has adopted the following policy regarding **CHILDREN ON CAMPUS**:

- 1) **Students are not permitted to perform child care on campus.**
  - As an exception and in case of an emergency, a resident student may perform child care on campus *only* after receiving permission from the Director of Residence Life or her designee. A commuter student may perform child care on campus *only* after receiving permission from the Dean for Student Development (Chalon), Vice President for the Doheny Campus (Doheny) or her designee.
- 2) In any and all cases, children on campus must be accompanied by a student, faculty or staff *at all times*.
- 3) Students are responsible for the behavior and safety of the children in their care.

SUMMER SCHOOL: If you are planning to attend a Summer School other than MSMC, you need to do several things before registering for your class(es).

1. Decide what you want/need to take and where you will take the class(es). (Ordinarily, a student does not take more than 6 units in summer.)
2. Verify that those courses are going to be offered. Most of the community colleges will have their schedule ready soon. Some of the 9 L.A. Community Colleges (ELAC, LACC, Valley, Harbor, West, Southwest, Trade-Tech, Pierce, Mission) will NOT have them ready until later. Most summer sessions (unless a 2 session plan) begin around June 29. Phone the college(s) of your choice now & ask them if the course(s) will be offered: if the registrar can't answer, try the department; also request an application for student enrollment and a class schedule of SUMMER SESSION. (These are not available in the Advisement Center.) At many colleges you must do the student enrollment before you are able to register for classes. Do so soon.
3. Get a Transfer of Credit Clearance form from the Registrar's Office/Advisement Center. "A student... must file a Transfer of Credit Clearance with all approvals... prior to registration in the course for which approval has been obtained." This is an excerpt from the catalog. The entire policy regarding taking classes elsewhere, after enrollment in MSMC, is found on page 56 in the 90-92 catalog; PLEASE follow the policy.
4. CHECK with your Advisor/Advisement Center to be SURE That the courses are TRANSFERABLE to MSMC and SATISFY what you intend to do.
5. If you are taking 2 classes, you may indicate BOTH classes on the same form. Please help us to prevent waste and also help to save the trees".
6. Get your advisor's signature; if the course(s) is/are to satisfy program requirements, you will need your program director's signature in #1 of the form.
7. In filling out the section for title and course number, please fill it out CORRECTLY. Title space is NOT the course number and the course number space is NOT the index or section number. For example: Business Law I is the title for the L.A. Community College where it's being offered and the course number is Bus 5 NOT 11642. In most community college class schedules, the title of the course and the course number are at the top of the listing and the section/index number is below with the days/times. If you need assistance filling this out please ask someone in the Advisement Center.
8. PLEASE BE SURE TO DISCUSS YOUR PLANS WITH YOUR ADVISOR; do not presume that classes taken off campus will be accepted by the college.
9. Before bringing the form to the Advisement Center, make sure you have ALL of the necessary signatures; Be sure that you do the paperwork BEFORE you enroll in a class off campus. Until the form has been completed, reviewed by the Director of Advisement and, then, signed by the Dean of the Campus, you cannot be sure that the course is approved.
10. If you cannot complete the necessary paperwork before May 8, you may do so when the information is available; However, please be sure to phone & confirm a time to meet with your advisor and/or Sr. Rose before coming on campus if you need to do your paper work after May 8.

Thank you for your assistance in processing the Transfer of Credit Clearance forms. PLEASE SAVE THESE DIRECTIONS for future use.

**LITTER CAMPAIGN:** Of late, we have noticed a lot of extra litter on campus. Some of it appears to be from cars who take the opportunity to just drop items in the street before they move on. Please keep our campus clean -- and do not leave things (cups, bags, napkins, etc.) in the Food Service area for others to pick up. They don't either, and then Doheny looks like a mess. **A MESSAGE FROM SISTER KATHLEEN KELLY**

The Fall Semester will be a very special time for me: I will be on an Administrative Sabbatical. The College has a program that provides for time away from an administrator's position for renewal and revitalization. This time allows for a change of pace, of place, and of focus, enabling the person to return to the position with renewed energy and enthusiasm. So although I will miss all of you, I am very grateful for this opportunity.

I will return to Doheny for the Spring Semester. Sister Joseph Adele will be assuming most of my duties while I am away.

### FROM THE BUSINESS OFFICE:

All outstanding debts, including past-due penalties, must be paid by **May 1** (before exams). This includes tuition, fees, loans, parking fines, "bounced" checks and library fines. 3. Withhold diploma, scholastic certificate, or transcript of record, and/or
4. **Suspend the student.**

\*\*\*\*\*

### FROM THE FINANCIAL AID OFFICE:

Several graduating students have been unable to attend any of our previously scheduled Loan Exit Interview sessions.

Federal regulations state that all students who have borrowed under the Stafford or SLS programs and who are graduating **must** attend a Loan Exit Interview. This is very important as we will review your rights and responsibilities as a student loan borrower. It will give you a better understanding of the student loan process and what will happen after you graduate. You will also receive a summary sheet including your total student loan debt for your enrollment at Mount St. Mary's College.

If you are one of these students, the **very final** Loan Exit Interview is scheduled for Wednesday, April 29th from 4:00 -5:00 p.m. in the Chalon Little Theater. We realize that this is a very busy time of year and that you have many time commitments which made it difficult for you to attend any of the five previously scheduled sessions. *However*, please plan to attend the last scheduled session. You must arrive on time and plan to spend the next hour reviewing loan information and materials.

Thank you for helping us meet this federal regulation. In addition, many thanks to those of you who have previously attended a Loan Exit Interview. **Happy Graduation!**

If you wish to work on-campus during this time, please pick up a summer on-campus job application from the Doheny Financial Aid Office. Priority deadline is May 4th.

**FROM THE ADVISEMENT CENTER:**

**REMEMBER:** File by May 12. This is for Fall 1992 only.

**SUMMER SCHOOL/TRANSFER OF CREDIT CLEARANCE:**

Please be sure to refer to the Directions Sheet that was attached to the April 6 issue of Doheny Happenings. Remember that Summer School Sessions will be crowded and classes will close. Be sure that you get yourself enrolled so that you can register. Please be sure that you check with your advisor about transferability, or contact the Advisement Center. Until you have completed the Transfer of Credit Clearance Form and the class(es) has/have been approved, you will not be able to "count" the classes for MSMC credit.

**SUMMER ADVISEMENT:**

As you may recall, it is during the summer that we are advising the incoming Fall '92 students. Please be sure to **PHONE AHEAD** and **SPEAK** to your advisor before coming in to see her/him. Advisors are not available all summer; they have other duties during the summer, such as the advising of new students. Please do not presume that because your advisor is on campus he/she is available to meet with you. **REMEMBER: PHONE** before coming to see your advisor.

Sister Rose will be available for any **RETURNING STUDENTS** on the following days:

MONDAY,	<u>MAY 18,</u>	12:30-3:30 p.m.;
WEDNESDAY,	<u>MAY 20,</u>	9:00-11:30 a.m.

Soon you will be involved in that incredibly difficult task...**cleaning and moving out of your room!** We have a wonderful idea to assist you! **St. Joseph Center's Listo Program** is opening a **Thrift Shop** at Hoover and 23rd. The Campus Ministry Office will accept all usable items (clothes, toys, etc.) and we will be happy to deliver them in the name of the Doheny Campus to this new Thrift Shop. Items can be left in the Campus Ministry Office. Just think...you don't have to bring **all your stuff** home--and somebody else gets to enjoy and/or use it!
